

Synergy

1 Corinthians 12

Welcome: *What is one talent, skill, hobby, or interest that you have acquired within the last few years?*

Worship: *Spend time in prayer as a group. Praise and thank the Lord for the gifts, talents, and abilities that He has given you.*

Word: *1 Corinthians 12:4-11, 18-26*

What does the word synergy mean?

How does it relate to the phenomenon of spiritual gifts in the church?

Who possesses spiritual gifts? How are they to be used?

*How does the Spirit manifest itself through believers?
(1 Corinthians 12:8-10)*

Witness: *What is your spiritual gift(s)? How are you using it?*

How can you exercise your spiritual gift in this Cell Group?

How can you already see the Holy Spirit working through different members of the group to produce beneficial results? (Be specific about other group members. Use this time to encourage each other).

Close your time in prayer by thanking the Lord for manifesting Himself in your group tonight and ask Him to do the same for each of you throughout the week to come.
